

# Session History

The session history report will display all stages user connections during the specified time period. If those users are operators, their autofeed statistics are also included.

**Session History** ✕  
start date\*   time   
end date\*   time   
file type  PDF  

## Output

### Session History

May 17, 2026 00:00:00 - May 19, 2026 23:59:00

User	Login Date	Duration	Auto Feed	Wait Time	%In Auto Feed	Dispatching	WorkStation	Office
