

Active Alternate Xmits

This window will generate all devices that are currently configured with an alternate xmit.

Alternate xmits can be viewed in the site data entry window on the device tab in device configuration.

Main Xmit#	Main Site	Xmit#	Site Name
PH2001	Senior Center	PH2001-1	Cynthia Carter
PH2001	Senior Center	PH2001-2	Cynthia Carter
PH2001	Senior Center	PH2001-3	Senior Center
